2023 COLLECTION

2023 COLLECTION

In building a business, chapters are framed by milestones as you grow. From the first office hire after the “just me” years, to our inaugural charity initiative...it has been a wonderful adventure! Our collections are now eagerly awaited. I love the industry relationships we have fostered, and how fortunate we are to have such stylish and brilliant customers.

Our 2023 collection is a testament to all of it. And it's the start of a great new chapter offering even more diversity in our range as we make another leap forward into Lifestyle & Water-Resistant footwear.

Our new Soho Storm Men's sneakers are guaranteed to keep the wildest of puddle jumpers dry and supported. And the Connaught and the Sanderson offer all the stability, tread and comfort we are known for, made for anyone who wants to take Royal Albatross off-course - a result of so many customers wearing our shoes for anything but golf. Slip yours on for a low-key brunch, or coffee date and let the supple suede and leather linings do the rest.

Our customers expect more from their clothing and how it can adapt from work to leisure. Golf shoes are no exception. To compliment men's athleisure trends in 2023, we have a fresh collection featuring sneakers, cup soles and slip-ons. It's all there for every golf lover.

Our Ladies shoes are full of zing, with a bucket load of “colour” and devilishly sexy details. My personal favourite is the Annabel, a dreamy island-escape of a shoe- perfect for travel and play.

Your style has been our priority this year. It doesn't matter how, where, why or with whom you play, I hope you play with style.

Because there really is no other way!

Best,

Alex Bartholomew

LIMITED EDITION // MIA'S MIRACLES FOUNDATION

In partnership with an amazing cause, Royal Albartross will make a donation to The Mia's Miracle Foundation, with each pair sold. Our Founder designed a rainbow inspired shoe and read about the story of Mia a few days later. She felt it was meant to be, and both parties have worked closely to launch this initiative. The Foundation was created to celebrate the birth of a beautiful girl who tragically battled with cancer.

Mia was the daughter of Maria Ochoa Mora & Camilo Villegas, an accomplished professional golfer on the PGA Tour and they were determined to help families facing similar challenges, in honour of their daughter.

We are delighted to have made this project a reality, and assist Maria and Camilo in their endeavour.
